Self-Pay Fee Schedule & Good Faith Estimate

Outpatient substance use & behavioral health services · Effective August 2026

This document lists our standard self-pay (cash) rates for clients who do not use insurance, along with an income-based sliding-fee scale for qualifying households. It also serves as a Good Faith Estimate under the federal No Surprises Act, which gives uninsured and self-pay clients the right to receive an estimate of expected charges before care begins.

Income-Based Sliding-Fee Scale

Reduced fees for qualifying clients · No one is turned away based on inability to pay

Your cost is reduced based on your household size and annual income, measured against the 2026 federal poverty guidelines for the 48 contiguous states. Bring a recent pay stub, prior-year tax return, or benefit award letter (or sign a self-declaration of income) and we will confirm your tier.

Step 1 — Find your income band (annual household income, up to and including)

Household	Tier A	Tier B	Tier C	Tier D
1	\$15,960	\$23,940	\$31,920	\$39,900
2	\$21,640	\$32,460	\$43,280	\$54,100
3	\$27,320	\$40,980	\$54,640	\$68,300
4	\$33,000	\$49,500	\$66,000	\$82,500
5	\$38,680	\$58,020	\$77,360	\$96,700
6	\$44,360	\$66,540	\$88,720	\$110,900
7	\$50,040	\$75,060	\$100,080	\$125,100
8	\$55,720	\$83,580	\$111,440	\$139,300

Household of more than 8: add \$5,680 per person to each Tier A figure. Incomes above Tier D are billed at the standard self-pay rate.

Step 2 — Your discount by tier

Tier	What you pay
Tier A	Nominal fee — about 80% off standard rates
Tier B	About 60% off standard rates
Tier C	About 40% off standard rates
Tier D	About 20% off standard rates
Above Tier D	Standard self-pay rate applies

Example — what you would pay by tier

Service	Tier A	Tier B	Tier C	Tier D	Standard
ASAM assessment	\$45	\$90	\$135	\$180	\$225
Individual (60 min)	\$37	\$74	\$111	\$148	\$185
Group session	\$9	\$18	\$27	\$36	\$45
IOP (per day)	\$40	\$80	\$120	\$160	\$200

Illustrative examples. Your final rate is confirmed after we review your documentation.

Your right to a Good Faith Estimate. Under the federal No Surprises Act, you have the right to receive a Good Faith Estimate of the expected cost of your care if you are uninsured or not using insurance. We will provide a written estimate before your service, and you may request one at any time. If you receive a bill that is at least \$400 more than your Good Faith Estimate, you may be able to dispute it. Keep a copy of your estimate. For questions or more information, call 702-803-9355 or visit www.cms.gov/nosurprises.

Rates reflect prevailing 2026 outpatient behavioral-health rates for the Las Vegas / Nevada market and are provided for self-pay clients. Amounts billed to insurance may differ and depend on your specific plan, benefits, and network status. This schedule is not a guarantee of coverage by any payer. Fees are reviewed periodically; the schedule in effect on the date of service applies. 2 All Is Well CDC does not deny services based on inability to pay.
